ORDER

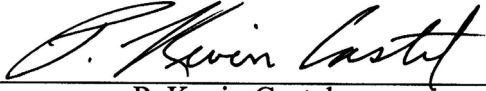

TEDANE MUIR,

Defendant.  
-----X

P. KEVIN CASTEL, U.S.D.J.

A lawyer has written to this Court seeking the opportunity to review what he calls the “5K Letter” of Tedane Muir for unspecified purposes relating to immigration. The lawyer urges that the Court grant the relief whereupon he proposes to obtain a written authorization from Mr. Muir. Without confirming the existence of any document meeting the lawyer’s request, the application (Doc 803) is DENIED. The application has not been authorized by Mr. Muir and the specific need and intended use of such a document, if it exists, has not been demonstrated.

SO ORDERED.
